

GOVERNMENT NOTICE

EXTENSION OF Request for Proposals Privatization Process Advisor

The Committee for the Privatization of The Bahamas Telecommunications Company Limited has extended the deadline for proposals from suitably qualified firms to provide advice to the privatization process.

This advice will include the review of proposals from parties engaged in discussions with the Privatization Committee, assisting with any information requirements and general advice on telecommunication and financial market conditions.

Proposals should contain the following:

- Name and resume' of key team members
- Per hour cost of services to be rendered
- Proposed reporting format
- Recent client/transaction list
- Relevant experience of the firm or its associated firms
- A statement with respect to potential conflicts of interest of the firm or the key team members identified to work on the project

Proposals previously submitted may also be updated during this extension.

Proposals should be e-mailed by **5:00p.m.** on **Wednesday** the **7th** day of **May A.D. 2008** to:

**Mr. David Davis (Director of Investment)
