****IMPORTANT NOTES**

The Ministry of Health advises that during contact tracing activities, it was discovered that a confirmed COVID-19 case previously recorded as originating from the Berry Islands actually originated in New Providence. Consequently, the total number of confirmed COVID-19 cases previously recorded as 58 for the Berry Islands now stands at 57.

³ Tests performed to confirm if patients have recovered from COVID-19.

OPENING HOURS OF COMMUNITY CLINICS

Community clinics remain open for primary care services at the following Poly-clinics:

Clinic	Days	Hours of Operation

REMINDERS

To contain the spread of COVID-19 residents are reminded of the following:

- if you have symptoms of COVID-19, do not wait, first, contact your health provider.
- while home remedies may work for a period it is important to get tested and receive proper care before symptoms become too difficult to manage.
- if you have been asked by the Surveillance Unit to get tested for COVID-19, please follow the advice and take the gold standard RT-PCR test.
- employees are encouraged to work from home.
