FOURTH AND FINAL ACP FISH II PROGRAMME MONITORING WORKSHOP OCTOBER 21-23, 2013

The objectives of the Workshop are threefold:

1. Review 36 projects being implemented by the Programme;
2. Assess the outcomes and impact of the implemented projects; and
3. Discuss the way forward.

Expected Workshop Outputs:

- Completed and ongoing ACP Fish II projects in the Caribbean collectively reviewed;
- Results of the implemented projects in the region collectively assessed and documented;
- Lessons learned from programme implementation discussed and documented;
- Key subject areas discussed and agreed upon requiring future support in fisheries and aquaculture in the CAR.

Day 1: Monday, 21 October 2013

09:00–09:40 – Opening Ceremony:

- Opening statement and welcome by the Chair
- Welcome address from the ACP Fish II Programme Coordination Unit
- Welcome address from the ACP Fish II RFU, Caribbean Office
- Introduction of Participants
- Adoption of Agenda

Morning Session: Programme update: Global update and regional progress

10:40–11:00 Coffee-break

Programme implementation (monitoring)

Ongoing projects will be presented and progress reports provided.

13:00-14:00 LUNCH

Afternoon sessions: Programme implementation (monitoring) continues: Public awareness; Control and enforcement; Research; Supporting fisher folk networks; Knowledge sharing.

Day 2 will look at Programme achievements through Results Table;

Day 3 events will explore lessons learned in programme implementation and identification of priority areas for future support to fisheries and aquaculture in the region through two working groups.

Sixth Meeting of the STEERING COMMITTEE of the ACP FISH II PROGRAMME

24 October 2013

Being held under the auspices of the CARICOM Secretariat

9:00-09:30 **Opening of the session**

Speakers: ACP FISH II Programme, CARICOM, Bahamas Fisheries, European Commission, ACP Group of States Secretariat

Morning Session (Private):

- Adoption of the Minutes of the Fifth Steering Committee Meeting (Brussels, February 5th 2013)

09:45-10:00 Coffee-break

- Overview of implementation of ACP Fish II Programme
- Implementation of ACP Fish II Programme by region; achievements and results

13:00-14:00 Lunch break

Afternoon Session (Private):

- Implementation of ACP Fish II Programme: Overall achievements and results, lessons learned, and identification of needs and follow up; objectives of the 2nd Day event
- Discussion
- Recommendations and Resolutions

16:40-17:00 Closure of the 6th Steering Committee meeting

This 6th Steering Committee Meeting has a special meaning for the Programme, as it will be the forum where the overall evaluation of ACP Fish II performance and achieved results and outputs will be done. Furthermore, it will be the opportunity to assess the execution and implementation of the projects targeting the Caribbean States and Regional Fisheries Bodies and to reflect on the lessons learned throughout the Programme execution.

ROUNDTABLE DISCUSSION

Friday, October 25

9:30 • 13:00

Open to the Press

On the day following the Steering Committee meeting, there will be a second day event to consider with the Permanent Members of the SC and other local stakeholders (around 25), the current situation facing fisheries in the programme regions and how the ACP Secretariat is positioned to support countries and regions to address priority areas requiring assistance.
